My name is Vicky McCullough, the 2011 Tole Country Director, and on behalf of everyone who helped put this convention together, I would like to welcome you to Tole Country. Art is a Fun Affair is our 38th convention and is presented by the Central Oklahoma Society of Tole and Decorative Painters, also known as the Tole Diggers. We are an affiliated chapter of the Society of Decorative Painters and I encourage every painter to join SDP. I want to thank all the chapters, teachers and vendors who support us. And my appreciation sincerely goes out to all students; you are the reason we do this year after year.
